

Central Ohio Chapter Membership Application

The Central Ohio Chapter, an affiliate of the Human Factors and Ergonomics Society, was formed in 1987. Its purpose is to promote and advance the understanding of the human factors involved in the design, manufacture, and use of machines, systems, and devices of all kinds through the interchange of knowledge and methodology in the behavioral, psychological, biological, and physical sciences.

The Chapter welcomes applications for membership from individuals interested or active in human factors or related fields.
